Procedure and Wild Card Entry Forms for the 2014 FIM Road Racing World Championship Grand Prix

Dear Sirs,

We are pleased to send you the Wild Card Entry Form here attached and remind you of the wording of Articles 1.11.5 to 1.11.7 of the 2014 FIM Road Racing World Championship Grand Prix Regulations.

We remind you that the closing date for entries is 45 days before the event for all the classes). We also draw your attention on the minimum and maximum age the wild card riders.

(...)

1.11.5 Moto2 and Moto3 wild cards:

In each class there may be a maximum of two wild card entries. Wild cards may be proposed by an FMN, the FIM or Dorna.

Wild card riders must be holders of an FIM "one event Road Racing Grand Prix" licence issued on behalf of any FMN and entries must be submitted to the FIM, on the official entry form issued by the FIM, at least 45 days before the event.

These entries will be submitted to the Grand Prix Commission who will decide which, if any, of the entries will be accepted.

No wild card entry will be granted to a rider who has ridden in the event as a wild card on 3 previous occasions in the same class. (For the purpose of this regulation the Moto3 class is considered as being the same as the 125cc class and the Moto2 class is considered as being the same as the 250cc class).

Accepted entries will be required to pay to IRTA a fee to cover the costs of materials provided for their participation.

For 2014 the fee will be:

€13,000 for a Moto2 entry and

€3,500 for a Moto3 entry.

If after acceptance and payment a rider withdraws their entry, only 50% of the IRTA fee will be refundable. A full refund may be applied in the following cases:

a. the withdrawal is solely and verifiably due to rider injury,

- b. the withdrawal is due to the rider being taken as a substitute rider for a contracted team for that event,
- c. the FIM via their local Federation appoints another rider to take over the accepted wild card entry.

No financial compensation or reimbursement of expenses will be paid to wild card riders.

Wild card entries are not subject to the IRTA insurance requirements. Insurance of the wild card riders is the responsibility of their FMN.

When a wild card licence is confirmed and issued, the cost of this licence will not be reimbursed to the rider who withdraws its participation to the race.

1.11.6 MotoGP wild cards:

There may be a maximum of two wild card entries.

Wild cards may be proposed by an FMN, the FIM, the MSMA or Dorna.

Wild card riders must be holders of an FIM "one event Road Racing Grand Prix" licence issued on behalf of any FMN.

Applications may be submitted to the FIM, on the official entry form issued by the FIM, at any time prior to the event.

Entries, as received by the FIM, will be submitted to the Grand Prix Commission who will decide which, if any, of the entries will be accepted.

Accepted entries may be required to pay to IRTA a fee to cover the costs of tyres provided by the official supplier for their use at the event. If after acceptance and payment a rider withdraws their entry, only 50% of the IRTA fee will be refundable. A full refund may be applied in the following cases:

- a. the withdrawal is solely and verifiably due to rider injury,
- b. the withdrawal is due to the rider being taken as a substitute rider for a contracted team for that event,
- c. another rider is appointed to take over the accepted wild card entry.

No financial compensation or reimbursement of expenses will be paid to wild card riders.

Wild card entries are not subject to the IRTA insurance requirements. Insurance of the wild card riders is the responsibility of their FMN.

When a wild card licence is confirmed and issued, the cost of this licence will not be reimbursed to the rider who withdraws its participation to the race.

1.11.7 A compulsory briefing will be held for all the riders who will be participating for the first time in the current Championship, at 17:00 hrs on the day preceding the day scheduled for the first practice session.

Failure to attend the briefing in full may result in a penalty.

A waiver can be granted to a rider by the Race Direction.
(...)

For the Moto2 and Moto3 classes, we also enclose a supplementary notice prepared by IRTA and we thank you for taking it into consideration.

Please also find below a table with the deadlines for submitting to us your wild card requests. For obvious logistic reasons (tyres fuel, paddock allocation and layout, programs etc.), late requests will therefore not be accepted.
